Re: Enclosed drawings, ref. App #09/676,760.

Dear draftsperson,

Enclosed please find formal drawings for the application number referenced above, as requested. I've also sent a copy of drawings to the Box Issue Fee address, with instructions that they be forwarded to you as well, just to be sure you get them.

I am enclosing a copy of "Part B - Issue Fee Transmittal" coincidentally submitted to the Box Issue Fee address, together with the appropriate fee.

Sincerely,

Ladd Anderson
